FEDERAL AMMUNITION

POWER SHOK - **FEDERAL FUSION**

The traditional lead-core hunting bullets in Federal® PowerShok® rifle loads provide solid accuracy and power at an affordable price. They feature reliable Federal brass, primers and powder and are suited to a wide variety of medium and big game.

Fusion® was the first rifle ammunition specifically built for deer hunting—and it's still the best, offering the largest expansion and highest weight retention in head-to-head comparisons against the competition.
